## PRODUCT UPDATE

### Industrial Breathing Air Service Hose *Complies with CGA G7.1-1997 Grade D*

Parker offers made-to-order versions of Series 7095, 7119 and 7397 hoses that comply with the CGA (Compressed Gas Association) G7.1-1997 Commodity Specification for Air, Grade D only.

#### NOTES:

- Do not connect directly to a breathing mask.
- Do not use to convey pure oxygen.
- Do not flush with solvents of any kind.
- For fitting attachment, lubricate only with water.

This document does not otherwise establish, recommend or suggest end usage applications for these hoses. The user, through its own analysis and testing, is solely responsible for making the final selection of the system and components and assuring that all performance, endurance, maintenance, regulatory, safety and warning requirements of the application are met.
