**PRODUCT UPDATE**

**Large Diameter Hose**

*Factory Assemblies - Dock & Mil Spec Hose*

*Factory Assemblies/Bulk Hose - Aircraft Fueling & Composite Hose*

Parker industrial hose distributors periodically require assemblies of large diameter hose products they might not normally stock, or lack the expertise to assemble. To address such circumstances, Parker offers the following options:

**Factory Assemblies Quoted by Parker**

- Dock Hose ..... Series SW339, SW356
- Military Spec Hose

The following hoses are no longer available as factory assemblies:

- Chemical Hose ..... Series SW373, SW574
- Concrete Hose ..... Series SS123, SS201
- Food & Beverage Hose ..... Series SS200, SW630, SW640

**Factory Assemblies and/or Bulk Hose Quoted by Parker**

- Aircraft Fueling Hose – Bulk
  - Available only to Select Fabricators
- Aircraft Fueling Hose – Factory Assemblies
  - Inquiries to be evaluated for quotation by Parker
- Composite Hose – Bulk
  - Hose ≤ 4" ID available only in factory full-length yields, and only to Select Fabricators
- Composite Hose – Factory Assemblies
  - Hose ≤ 4" ID (regardless of coupling end styles): Inquiries to be referred to Select Fabricators
  - Hose ≥ 6" ID (regardless of coupling end styles): Inquiries to be evaluated for quotation by Parker

*NOTE: Quoted hose/couplings might not be stocked and are subject to minimum order quantities and lead times. Contact Parker.*

### Large Diameter Hose

*Factory Assemblies - Dock & Mil Spec Hose*

*Factory Assemblies/Bulk Hose - Aircraft Fueling & Composite Hose*

**For factory assemblies or cut lengths of other large diameter hose products**, Parker *Circle of Safety* distributors are especially oriented to industrial hose markets and specialty applications. These focused distributors can respond rapidly and efficiently to cut-length and assembly opportunities because they typically maintain a large and comprehensive inventory of bulk hose and couplings and have the necessary assembly fabrication equipment and expertise.

**Circle of Safety distributors** are a valuable resource for any Parker distributor requiring less than standard lengths or fabricated hose assemblies.

To find *Circle of Safety* distributors, visit [www.safehose.com](http://www.safehose.com) and click "Find a Distributor". (Access the link using the QR code at right.)
